MOTION TO CORRECT DOCKET

The government hereby moves for a correction of the PACER docket in this case.

On February 23, 2015, the government accidentally filed a draft version of its supplemental sentencing memorandum and attachments (#161). The memorandum was not in final form and one attachment was not yet redacted. Working with personnel from the clerk's office, a final version of the memorandum was filed (#162), but it did not include the attachments. The final memorandum is not different in substance from the earlier draft.

In an effort to repair this confusion, the government respectfully moves for the following:

- (a) That the Court order docket entries ## 161 and 162 removed from the docket; and
- (b) That the Court order the government immediately to re-file its supplemental sentencing memorandum, in final form, with properly redacted attachments.

The government apologizes for the error.

Respectfully submitted,

Carmen M. Ortiz
United States Attorney
